

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India. The program of Unnat Bharat Abhiyan has been successfully run by the institute by organizing awareness rallies in the nearby villages which are adopted under the scheme. The awareness rallies are organized on various issues as mentioned by the household of these villages during household and village survey under the program. The institute had tried its best in identifying the challenges regarding to the problem mentioned by the household and providing their sustainable solution by involving the expertise available in the institute. Also, students of the institute have participated actively in the program and a sense of social responsibility is developed among them. The institute is committed for successful execution of the Unnat Bharat Abhiyan program with a view to overcome the hindrances present in the overall growth of the rural area.
